

FAMILIES FOR A LIFETIME
PRESENTS

**HANDLING HOMEWORK
HASSLES**

How many times have you asked yourself these important questions?

How can I help with homework?

How much help should I give my child?

How do I make sure my child is really doing their work?

What if my child still isn't turning homework in?

Should I reward my child for doing homework or for getting good grades?

Parents and families play an important role in their child's educational process. Discover how parents and families can help children develop good study habits and attitudes to become lifelong learners.
