We are always looking for great people to help us throughout the year!

All year long, we need volunteers for a variety of things including making copies for teachers, selling dance tickets, dance chaperones, and helping out at the book fair. This year, we want to do most of our contact by email, so please be sure to give us your email address and please know that we will not share your email address with anyone!!

After we receive your form, you will receive emails from us letting you know what is going on at the school and how you can help if you are available.

Thanks for volunteering with us and we look forward to working with you soon!
